THE CITY OF TORONTO.

The City of Toronto is situated on the northern shore of Lake Ontario, nearly due north from the mouth of the Niagara River. It lies on a plateau gradually ascending from the Lake Shore to an altitude of 220 feet, and covers an area (not including land covered by water) of about 33 square miles. It is generally level with slight depressions at points where minor water courses formerly existed. The harbor in front of the City (a square mile in area) is formed by an island lying to the south of it.

The name of the City is of Indian origin, meaning "a place of meeting," the site in early times being a rendezvous for Indian tribes for council or war-like expedition. It first appears as a centre of trade in 1749, when the French built a fort and started a small trading settlement under the name of Fort Rouille. Its occupancy, however, was not long undisturbed, as British traders appeared soon from the south, and in the war between France and England the fort was burned in order to prevent English occupation in 1759.

Governor Simcoe chose the site of the City for the Capital of the Province of Upper Canada, and changed the name to York in honor of the Duke of York, son of the then King George III. The town was occupied by the

U. S. forces in 1813, and the Legislative Assembly buildings and archives were burned. Self-government was granted in 1817, and in 1834, the population having increased to 9,000, it was incorporated as the City of Toronto.

Since then its progress has been rapid and substantial. The population has doubled practically every fifteen years since incorporation. It is the second city of the Dominion, and is rapidly approaching first place. The City is noted for its many fine public and other buildings, its parks and splendid shade trees. It is the Capital of Ontario, the business of the Province being carried on in the Parliament Buildings, a magnificent brown stone structure, beautifully situated in Queen's Park.

As a location for manufacturing and commercial establishments the City possesses many advantages for the production of almost every class of goods. Its growth in every direction is so noticeable that little need be said to prove its claim of having the most favorable conditions for the production and distribution of goods. It has water communication east and west to many important centres, to tide water and to more than one-half the way across the continent, and has railways to provide exceptional trade hand-

ling facilities. In addition to the foregoing advantages, the City is now in a position to offer to manufacturers an abundant supply of cheap electric power from Niagara Falls.

The government of the City is vested in a Municipal Council, consisting of the Mayor and four members, forming the Board of Control (all five being elected annually by the citizens at large), and twenty Aldermen (three being elected annually from each of Wards Nos. 1 to 6, and two from Ward No. 7 (formerly the City of West Toronto). The Council as a whole is the legislative body of the municipality, and carries on its legislative work through standing committees in the usual way. The Board of Control is the executive body, and as such is responsible for the preparation of the annual estimates and the supervision of matters relating to finance, the appointment of officials, the carrying on of public works authorized by the Council, and the general administration of the affairs of the City, except as to the Departments of Education and Police, the first being under the control of a Board of Education, elected by the citizens, and the latter under the Board of Police Commissioners, which consists of the Mayor for the time being, the County Judge and the Police Magistrate.

Mayors of the City of Toronto, from the Date of its Incorporation in the Year 1834 to the Year 1914.

1834—William Lyon Mackenzie.
1835—Robert Baldwin Sullivan.

Alderman, Ward No. 2, 1913, 1914.

Board of Control and Standing Committees of the Council for the Year 1914.

Board of Control.

Horatio C. Hocken (Mayor), *Chairman;* Controllers Jesse O. McCarthy (*Vice-Chairman*), Thomas L. Church, John O'Neill, Jr., James Simpson.

Secretary, at City Clerk's Office.

Meets every Tuesday, Wednesday and Thursday in each week, and on Friday in the week preceding the regular Council meeting, at 11 a.m.

Committees.

Works.—Alderman Dunn, *Chairman;* Controller Simpson, Aldermen Cameron, Maybee, Meredith, McBride, Risk, Robbins, Ryding, Singer, Smith, Spence, F. S., Walton, Whetter, Wickett.
Secretary at City Engineer's Office.
Meets every alternate Friday at 2 p.m.

Property.—Alderman David Spence, *Chairman;* Controller O'Neill, Aldermen Dunn, Graham, Hiltz, Maguire, Maybee, McBride, Rowland, Ryding, Singer, Walton, Wanless, Whetter and Wickett.
Secretary at City Clerk's Office.
Meets every alternate Monday at 3 p.m.

Parks and Exhibitions.—Alderman Robbins, *Chairman;* Controller Church, Aldermen Cameron, Graham, Hiltz, Maguire, Meredith, Risk, Rowland, Ryding, Smith, Spence, David, Spence, F. S., Wanless, Whetter.

Secretary at City Clerk's Office.

Meets every alternate Tuesday at 3 p.m.

Local Board of Health.—Alderman Rowland, *Chairman;* His Worship the Mayor, Controller McCarthy, Alderman Dunn, and the Medical Officer of Health.

Secretary at City Clerk's Office.

Meets second Wednesday in each month at 3 p.m.

Court of Revision.

P. H. Drayton, K.C., *Chairman;* William F. Ardagh, Esq., and W. Assheton Smith, Esq.

The Court sits upon the following days to hear appeals against the general assessment of the City.

Ward No.	1	June 23rd.
"	2	Aug. 3rd.
"	3	Oct. 15th.
"	4	Sept. 29th.
"	5	Sept. 14th.
"	6	Aug. 18th.
"	7	June 4th.

Appeals must be filed within the time prescribed by statute, as stated on the notice of assessment, and should be lodged with the Assessment Commissioner.

The Court also sits from time to time throughout the year to hear and determine appeals in respect of local improvement works.

All appeals for reduction of taxes on buildings in consequence of vacancy, or for any other cause, should be filed with the City Clerk.

The City Clerk is the Clerk of the Court.

City Hall.

The City Hall, situated on Queen Street, between James and Teraulay Streets, is a massive stone structure, and contains accommodation for the Council and Officers of the Municipality, for the Board of Education and its Officers, and for the Courts of Justice (including the Police Court) and the various Judicial Officers connected therewith.

The site, expropriated in 1884, was originally intended for Court House purposes only, but it was subsequently decided to erect a combined City Hall and Court House thereon. The corner stone was laid on the 21st day of November, 1891, by the then Mayor, the late Edward F. Clarke, M.P., and the work of con-

struction continued for eight years, the building being formally opened for public business on the 18th September, 1899, by John Shaw, Esq., Mayor of the City.

In the tower of the building is a massive clock of British manufacture (the largest winding clock on the continent), and three bells, which are used for striking the quarter hours, half hours and the hours.

The dimensions, cost, etc., of the building are as follows:

Frontage	289 feet
Depth	283 feet
Circumference	1,328 feet
Total floor space	5.40 acres
Height of tower from sidewalk	300 feet
Diameter of clock face	20 feet

Weight of bells; smallest (quarter bell), 1,904 pounds; next largest (quarter bell), 3,339 pounds; largest (hour bell), 11,648 pounds.

The total cost (including site, clock, bells, and furniture), did not exceed $2,500,000.

1. Smallest bell = 1,904
2. " " 3,339
3. " " 11,648

Civic Departments.

City Assets and Revenues.

(*From the City Treasurer's Budget.*)

In considering the City debt, the value of the property and other assets possessed by the City should not be overlooked. The estimated value of this property is over $25,000,000, and a large amount of it is revenue producing. This valuation is exclusive of all the public works and services of the City, which have been provided at heavy cost to the taxpayers, and, though not available assets, are required for public use and convenience. The water lots owned by the City, the walks and gardens and other leasehold property, with the Market Block, yield an annual revenue of about $146,000, which will increase from year to year as the leases mature and are renewed. This is exclusive of the Water Works, and at 4 per cent. represents a capital of over $3,600,000. In addition the City derives a revenue from licenses, police court fines, cattle market and weigh-house fees, and the street railway service (exclusive of that derived from the Water Works), of about $1,646,500. The estimated revenue this year from the Water Works is $1,360,000. These, with other revenues, bring the annual revenue of the City to $3,873,019, exclusive of the amount raised by taxation.

Estimates of the City of Toronto for the Year Ending 31st December, 1914.

Debt charges distributed as follows:

General Debt	$1,794,249
Water Works	808,097
Street Railway Debt	361,182

Area of City and Street Statistics.

Area of the City, not including portion of land covered by water, is 33 square miles.

521.53 miles of streets in City.

135 miles of lanes in the City, approximately.

Improved roadways as follows:

	Miles in 1912.	Miles in 1913.
Asphalt	157.03	183.68
Asphalt block	6.30	5.93
Cedar block	8.20	4.29
Brick	29.07	29.75
Macadam	40.82	40.31
Wood on concrete	.64	.70
Stone and scoria block.	2.16	.35
Gravel	20.61	18.54
Concrete	5.62	8.63
Asphaltic concrete	1.94	3.11
Bitulithic	37.72	42.17
Unimproved roadways	198.51	185.06
Sidewalks—		
Stone flag	1.73	1.73
Concrete	560.84	630.81
Brick	3.66	3.66
Wood	43.37	34.49
Sewers	397.27	424.03
Water mains	457.78	526.03
Gas mains	473.00	506.80
Street railway, single tracks	113.72	114.78

Births, Marriages and Deaths.

The number of births, marriages and deaths in the City of Toronto during the year 1913, as shown by the Registration returns, is as follows:

Births	14,100
Marriages	6,422
Deaths	6,947

All births and marriages must be registered at the City Clerk's Office, City Hall, within 30 days from the occurrence thereof.

Deaths must be registered at the same office before a permit to bury can issue.

Physicians attending are required to send in notices of births, and parents, or occupants of dwellings where births occur, are required to register same.

Clergymen officiating are required to register marriages.

Physicians attending are required to certify as to deaths.

Neglect or failure to send in notice in either case renders parties liable to a fine not exceeding $10 and costs.

Public Health.

The death rate of the City, exclusive of still births, is 12.8 per thousand of the population.

PUBLIC HEALTH—*Continued.*

The public hospitals in the City are located as follows:

Toronto General Hospital, College Street.

St. Michael's Hospital, Bond Street.

Sick Children's Hospital, College Street.

Western Hospital, Bathurst Street.

Grace Hospital, College and Huron Streets.

St. John's Hospital, Major Street.

Riverdale Isolation Hospital for Contagious Diseases, Gerrard Street East.

The ordinary ambulances for cases of non-contagious diseases are under the control of the Police, and answer to the call of "Main 222." The ambulance for cases of contagious diseases is in connection with the Health Department, and answers to "Main 2729."

In all complaints of nuisances—drop a post card to the Health Department.

In case of accident, the patient, if of adult age and conscious, has the right to state to what hospital or where he wishes to be taken. In cases of children, or those in an unconscious condition, the medical attendant, and in cases where there is no medical attendant, the Police, are supposed to direct the ambulance.

In cases where a person is found dead and no medical man has been in attendance, a coroner should be notified, who has authority to issue a warrant to bury after view, or order an inquest, as he may deem necessary.

ASSESSMENT OF CITY.

(*Every fifth year, from 1880 to 1900, and annually since then.*)

Year.		Tax Rate on $	Tax for City and School Purposes.
1880	$50,166,639	17 mills	$852,833
1885	68,957,706	17 "	1,172,281
1890	136,887,328	14½ "	2,084,866
1895	146,382,412	16¼ "	2,378,707
1900	124,992,959	19½ "	2,437,362
1901	128,318,703	19 "	2,438,055
1902	133,844,955	19½ "	2,609,975
1903	138,588,605	19 "	2,636,183
1904	142,328,897	19 "	2,704,239
1905	149,159,206	19 "	2,834,025
1906	167,411,678	18½ "	3,097,115
1907	184,283,085	18½ "	3,409,237
1908	206,088,990	18½ "	3,812,684
1909	227,800,000	18½ "	4,214,300
1910	269,866,219	17½ "	4,721,189
1911	306,604,774	18 "	5,518,886
1912	343,598,145	18½ "	6,352,433
1913	436,120,049	19½ "	8,494,422
1914	509,366,151	19¼ "	9,865,068

NOTE.—The amount of taxes raised as above set forth may not balance with the amount found by calculating the mill rate on the assessment for any given year. The difference arises from the fact that a portion of the assessment is liable for school rates only.

Rates for Gas.

The rate for gas for all purposes is 70 cents per 1,000 cubic feet. Accounts are rendered monthly, and must be paid within fifteen days to secure this rate.

ZOOLOGICAL COLLECTION.

The City has now a very creditable collection of animals, birds, etc., at Riverdale Park and High Park. At Riverdale Zoo are to be found a varied collection of animals, including an elephant, six lions, a tiger, leopards, polar bears, Canadian, Japanese, Russian and Syrian bears, wolves, monkeys, llamas, deer, etc., also birds of various kinds, including eagles, storks, cranes and many species of parrots, wild fowl, etc.; also several alligators and a number of reptiles.

In High Park there are several buffalo, moose and elk.

The collection at Riverdale Park has been largely obtained through the efforts of Ex-Alderman Daniel Lamb, in securing their donation by public spirited citizens.

Street Railway Statistics.

The following statement shows the revenue received by the City from the Toronto Railway Company since the Company obtained the franchise in 1891:—

Year.	Mileage.	Percentage.	Total.

* Arrears of mileage.

STREET RAILWAY STATISTICS—*Continued.*

In addition to the foregoing, the Company is taxed on its lands, plant and buildings, and in respect of its business in the same manner as if it were an ordinary business enterprise. Taxes for 1914 will be levied on an assessment of $3,625,626, and will amount to $69,793, exclusive of any local improvement rates for which the Company are liable.

Passengers carried in 1913..... 151,236,925
Transfers issued in 1913..... 63,083,118
Net profit of Company for 1913, after paying City's share.....$1,448,458.52
Percentage of operating expenses to earnings, for 1913, 52.2 per cent.

The portion of the gross receipts of the Company payable to the City annually under the Street Railway agreement is as follows:

Up to $1,000,000 ..... 8 per cent.
From $1,000,000 to $1,500,000...10 "
From $1,500,000 to $2,000,000...12 "
From $2,000,000 to $3,000,000...15 "
All over $3,000,000.....20 "

The mileage payable to the City annually is at the rate of $800 per single track line (exclusive of turnouts).

Fares chargeable by the Company are as follows:

STREET RAILWAY STATISTICS—*Continued.*

Cash fares, 5 cents each, good between 5.30 a.m. and midnight.

Night fares (cash), 10 cents each (for use between midnight and 5.30 o'clock a.m.)

Tickets (sold by conductors on cars) as follows:

25 for $1.00; 6 for 25c., good at all times between 5.30 a.m. and midnight.

8 for 25c., good before 8 a.m. and between 5 and 6.30 p.m.

7 for 25c., good on Sundays.

10 for 25c., good for school children between 8 a.m. and 5 p.m., except on Saturdays and Sundays.

Children under 9 years of age are carried at half fare. Infants in arms free.

Transfer tickets are issued free of charge to enable passengers to reach any point in the City for one fare.

The agreement existing between the City and the Company expires on September 1st, 1921.

PAYMENT OF TAXES.

Taxes for 1914 are payable as follows:

1st instalment, including local improvement rates, July 25th.

2nd instalment, September 10th.

3rd instalment, November 10th.

Cattle Market Receipts for 1913.

Cattle received	24,953
Sheep received	25,829
Hogs received	6,224
Calves received	4,334
Weigh fees	$359.00

Cattle Market Fees, Etc.

The municipality will collect market fees and sell fodder for live stock at the Market during 1914.

Building Statistics Since 1906.

Year.	No. of Permits Issued.	No. of Buildings Erected.	Value of Buildings Erected.
			$
1906	3,439	4,710	13,160,398

1913	7,177	9,884	27,038,624

Local Improvement Works.

When the owners of property on any street or lane desire a sewer, sidewalk, pavement or curbing, or when the property owners in any locality desire the opening, widening, extension or diversion of any street or lane, application should be made to the Works Department for a form of petition to the Council for the work or improvement. When such petition is signed by two-thirds in number of the owners representing more than one-half in value of the property to be benefited by the work or improvement, the Council may proceed therewith and assess the cost against the property benefited.

If the names of two-thirds in number of the property owners representing more than one-half in value of the property cannot be obtained, the petition may nevertheless be presented, and if the Council, on the recommendation of the Commissioner of Works, finds that the work is necessary, and in the public interest, it may direct that it be proceeded with, unless a majority of the property owners interested representing more than one-half of the value of the property to be assessed petition against the proposed work or improvement within a month after the Council gives notice of its intention to proceed with such work.

LOCAL IMPROVEMENT WORKS—*Continued.*

Notwithstanding any petition to the contrary, the Council, if it deems the same necessary in the public interest, and by a two-thirds vote of the whole Council, may proceed with any of the above-mentioned works and assess the cost thereof against the property benefited.

The following tables prepared by the Works Department show the approximate annual cost of different classes of permanent pavements and sidewalks. Similar information as to sewers cannot be given owing to variations in the cost of excavating different grades of soil. The Works Department, however, will furnish an estimate as to the cost of sewers upon application being made therefor by property owners interested.

Loss on buildings with no insurance	9,619 00
Loss on contents with no insurance	43,158 00
Total loss over insurance paid.	85,999 00

FIRE ALARM TELEGRAPH.

Directions to Give an Alarm.

Upon what may appear as correct information of a fire near your signal box, break the glass, unlock the signal box door and pull the brass hook on the inside door all the way down (once only) and let it go, and immediately the gong inside the box will sound the number. If you do not hear the gong, go to the next nearest box and do as before directed. No alarm should be given for a chimney only on fire, and no box should be pulled more than once for the same fire, except by an officer of the Fire Department.

Never open the box or touch the hook except in case of fire.

Never give an alarm except from the box nearest the fire, unless you have first ascertained that the box nearest the fire will not work.

Do not try to take the key out of the door, as it is "locked in" and cannot be taken out without a relief key.

Police Department.

The strength of the Force is at present 626 men, distributed as follows:—One Chief Constable, one Deputy Chief Constable, one Assistant Deputy Chief Constable, one Chief Inspector, one Staff Inspector, one Inspector of Detectives, twelve Divisional Inspectors, thirty-one Sergeants, thirty-seven Patrol Sergeants, fourteen Detectives, and 526 Constables.

Public Libraries.

The management and control of the Public Libraries of the City are vested in a Board of Management, composed of the Mayor of the City and eight others, three of whom are appointed by the City Council, three by the Board of Education, and two by the Separate School Board. The persons appointed by the City Council and Board of Education hold office for three years, and those by the Separate School Board for two years. These members retire in rotation at the end of their respective terms on the 31st of January.

The members of the Board for 1914 are:—Mr. T. W. Banton, Chairman; Mayor Hocken, Hon. Sir Glenholme Falconbridge, Hon. Mr. Justice Kelly, Messrs. T. W. Self, W. T. J. Lee, N. B. Gash, K.C., John Turnbull and T. C. Irving, Sr. Chief Librarian, George H. Locke, M.A.; Secretary-Treasurer, Edward S. Caswell.

The Board holds its regular meetings on the second Friday of each month, and the Libraries and Finance Committee meets on the next preceding Tuesday.

The Public Libraries are maintained by a tax not to exceed a quarter of a mill on the assessable property in the City.

PUBLIC LIBRARIES—*Continued.*

The Public Reference Library is situated at the corner of St. George and College Streets. In it are the administration offices and on the ground floor is the College Street Circulating Branch.

The Central Circulating Library is at the corner of Church and Adelaide Streets.

There are branches on Yorkville Avenue; Queen and Lisgar Streets; Annette Street (Western); Broadview Avenue and Gerrard Street (Riverdale); 1524 Yonge Street (Deer Park), in the Hillcrest School, north Bathurst Street (Wychwood); on Yonge Street, near Eglinton Avenue; on the corner of Bloor Street and Gladstone Avenue; on Boon Avenue, and on the corner of Queen Street and Hambly Avenue.

In addition to these Branches there is a Municipal Reference Library in the City Hall, a branch of the Public Library.

The Reference Library and the Branches on Yorkville Avenue, Queen Street West, Annette Street and Broadview Avenue have been built through the generosity of Mr. Andrew Carnegie.

The combined Libraries of the City contain about 220,000 books, of which approximately

83,000 are in the Reference Library. The circulation of books from the Central and branches during the past year was about 600,000. The use of books in the Reference Library is about 200,000 per annum.

On the third floor of the Reference Library is situated the Art Museum where throughout the year there are exhibitions of the various Art Associations of the City. These are under the control of the Art Museum Association, to whom the use of the rooms is given free of all charge. On Saturdays of each week the rooms are open to the public without charge.

The Reference Library is open from 10 a.m. to 9.30 p.m. Circulating Libraries and Reading Rooms, 9 a.m. to 9 p.m.

The offices of the Chief Librarian, and also of the Secretary-Treasurer, are in the Reference Library, corner St. George and College Streets.

The Main Newspaper Reading Room is situated on the corner of Church and Adelaide Streets, but all the branches are well supplied with daily papers and periodicals from all over the world.

PUBLIC LIBRARIES—*Continued.*

For the information of the public a bulletin is issued every month giving in dictionary catalogue form a list of all the books received and accessioned during the preceding month at the Central Circulating Library. This may be purchased at any Library for two cents.

At the Public Reference Building (St. George and College Streets) the Historical Room contains the famous J. Ross Robertson collection of engravings, prints and paintings illustrative of early life in Canada. This is the largest and most valuable collection of Canadian prints in existence, and during last year was visited by 36,000 people. This is open daily without charge.

On the grounds are erected the following buildings:

Administration Building—A large commodious building which includes a Post Office, Bank, Customs Office, Banquet Hall, and public offices for the general management of the Exhibition.

Manufactures and Liberal Arts — This building is built entirely of brick and steel, with a floor space of 95,000 square feet.

Machinery Hall and Electrical Building—This building is specially designed for heavy machinery and machinery in operation. It is equipped with ample steam power and shafting for the purpose, and has a floor space of 35,000 square feet.

Industrial and Process of Manufacture Building—This is a modern brick and steel structure with 86,000 square feet of floor space. So far as can be learned, this is the only Exhibition building in the world devoted exclusively to the practical demonstration of Process of Manufacture.

Art Gallery—This building, erected on the most approved plan of fire-proof construction, is the largest and most complete fire-proof Exposition Art Gallery on the continent.

Dairy Building—This building is built of cement blocks and has a floor space of 25,000 square feet. It is equipped with an up-to-date cold storage plant, and has in addition a fire-proof Auditorium which has a seating capacity of 1,500, which is used for lectures, demonstrations, butter and cheese making competitions, etc.

Government Building — This building is built of red pressed brick with stone trimmings, concrete and steel. It is laid out in the shape of an "E," and has a floor space of 40,000 square feet. It is ornamented with an illuminated dome and massive towers. The cost of the building was largely borne by the Dominion and Provincial Governments,

and will be used specially for Dominion and Provincial Government exhibits.

Horticultural Building — This building, built in the form of the letter "E," has a floor space of 45,000 square feet, and is constructed of pressed red brick and steel with stone facings. It is the handsomest Exhibition Building on the Grounds, having a dome which reaches the height of 100 feet.

Railway Exhibits Building—Built by the principal Railway Systems of Canada for the exhibition of cereals, fish, game, minerals, views of forestry, and agricultural products of the country. This is an exceptionally handsome building, having three wings or courts—one for each of the leading railway systems.

Transportation Building — Built of red pressed brick with stone trimmings, with concrete foundation and roof supports of trusses of steel. It is 337 feet long by 153 feet wide, and provides 43,000 square feet of space for exhibits of automobiles, motor boats, supplies, etc.

Live Stock Building—Comprises 26 Horse Stables, accommodating 1,400 animals; 16 Cattle Stables, accommodating 1,200 animals;

8 Swine Buildings, accommodating 500 animals: 8 Sheep Buildings, accommodating 750 animals.

Grand Stand—The new Grand Stand has a length of 725 feet, and a chair seating capacity of over 16,400 people. It is absolutely fire-proof, the construction being of steel, reinforced concrete and pressed brick. It overlooks a well laid out half-mile track, on which horse racing, bicycle and automobile racing takes place. The harness, saddle and hunt horses are judged here. In front of this Stand the Special Attractions and Fireworks are displayed.

Other Buildings—Other separate buildings for exhibits are:—Manufacturers' Annex Building, Women's Building, Educational Building, Natural History, Poultry, Pet Stock and Dogs.

There are also separate buildings for telephone, telegraph, police and fire protection purposes.

Highway Commissioners of York.

This Commission has been appointed jointly by the Ontario Government, the County Council of York and the City Council of Toronto, to carry out a scheme for improving the main roads in county within twenty miles of the City. For this purpose the three bodies above named have each appropriated $200,000, making $600,000 to be expended on the work. The members and officers of the Commission are as follows:

Commissioners.

J. J. Ward, 1284 Queen Street West, Toronto, Chairman.

W. H. Pugsley, Richmond Hill P. O., Vice-Chairman.

Lionel H. Clarke, Board of Trade Building, Toronto.

J. A. Cameron, Warden, County of York, Maple, P. O.

Geo. S. Henry, Todmorden, R. R. 1.

W. G. Trethewey, 28 Toronto St., Toronto.

Secretary.

R. W. Phillips, County Building, Adelaide St. East, Toronto. Telephone, M. 503.

Treasurer.

J. K. Macdonald, County Building, Adelaide St. East, Toronto.

Chief Engineer.

Edgar A. James, C.E., County Building, Adelaide St. East, Toronto.

Harbor Board.

Lionel H. Clarke, Chairman; Thomas L. Church, R. S. Gourlay, Francis S. Spence and R. Home Smith.

Office, 50 Bay St. Telephone, Adelaide 646.
Chief Engineer, E. L. Cousins.
Harbor Master, Colin W. Postlethwaite.
Secretary, Alex. C. Lewis, 25 Spruce Street. Telephone, North 7848.

The Commissioners are appointed, three by the City Council and two by the Government of Canada, for the purpose of administering the harbor and developing the waterfront property owned by the City.

The Commissioners have presented to the City Council plans for the deepening and development of the inner harbor, the improvement of the entire waterfront, the development of an immense industrial district in Ashbridge's Bay, and the creation of a fourteen-mile lakefront boulevard and driveway.

During the present year about $2,000,000 of work, being the commencement of two contracts amounting in all to $11,000,000, will be completed along the waterfront of Toronto, as part of the work planned by the Commissioners for the development of the

harbor and improvement of the waterfront, the total estimated cost of the work as planned to date being $24,000,000. Two contracts have been let, one by the Dominion Government for the construction of breakwater, seawalls and ship channel in the Industrial District at a cost of $5,371,000, and one by the Harbor Commissioners for the dredging necessary to reclaim the Ashbridge Bay district by means of filling and to deepen the harbor generally, at an estimated cost of over $5,000,000. In addition to this, the Commissioners are carrying on a large amount of work by means of their own plant, and it is confidently expected that the entire work will be completed by the year 1921.

The work as planned not only improves and extends the harbor and adds some five miles of dock structure for the convenience of the shipping trade, but also includes the construction of a boulevard and driveway extending for fourteen miles across the entire front of the City and through the Island.

The City Council and Dominion Government have joined most heartily with the Harbor Commissioners in carrying out the plans so prepared, and the citizens generally are watching with interest the carrying out of the various contracts.

It is expected that the improvement of the harbor and the construction of new docks and also the reclamation of land sufficient for the housing of 1,000 factories in the Ashbridge's Bay district will result in a tremendous impetus in the commercial life of the City. The Industrial District alone is expected to provide a revenue sufficient to pay the interest and all carrying charges on the cost of the entire work and to give the City a substantial profit.

The receipts through the Port of Toronto during the navigation season of 1913 were:

General merchandise, tons	99,415
Coal, tons	139,788
Lake stone, toise	13,050
Ice, tons	9,369
Fruit in packages, barrels	527
Fruit in packages, crates	3,085
